TO WHOM IT MAY CONCERN:

I am very pleased to recommend the JetsDolt team, who have greatly supported DTL Stores LTD from July 2023 to April 2025. Under the capable leadership of Jette Shin Orong, along with significant contributions from Jethro Orong Jr. in fulfillment and virtual assistance, and the excellent customer support provided by Ereyca Orong and Jejeth Orong, the team consistently delivered outstanding results.

During their time with us, JetsDolt effectively managed various key areas of our business, including operations, order fulfillment, and customer support across multiple Shopify-based e-commerce stores. They typically handled between five to more than ten stores at once, showcasing strong organizational skills and the ability to multitask efficiently. Jette Shin Orong, as the main contractor and team leader, notably enhanced our company's structure by improving and optimizing our Standard Operating Procedures (SOPs). This significantly increased our overall efficiency and effectiveness. Additionally, the team's ability to work independently reduced the need for close supervision, highlighting their reliability and competence.

Their professionalism and dedication made the transition smooth when one of our primary stores, PrimeLifts, was sold to Sapna Kapur. JetsDolt will continue its excellent work with the new owner, supporting PrimeLifts and her other ecommerce businesses. Given their extensive experience and expertise with Shopify platforms, I am confident they will continue to achieve exceptional results.

We conclude our professional relationship on a positive note, maintaining mutual respect and appreciation. Therefore, I highly recommend the JetsDolt team for future opportunities or collaborations.

Please feel free to contact me if you require further information.
