

My Portfolio

Hi!

My name is Annali Quetulio and I would like you to know more about me and what I do.

Introduction

If you are looking for an individual who can provide you with positive results, don't look any further. I am here. Let me tell you more!

About Me

I am a person who has thrived in a real fast-paced working environment for more than a decade now.

I am fun to talk to and the best team player around, a very good listener, and very much willing to learn new things.

About My Portfolio

This portfolio is a compilation of my work experiences from being a Virtual Assistant involved in Graphic Design, Copywriting, to being an SEO Specialist, plus the amazing companies I have worked with since embarking on my journey across various niches within the remote landscape.

“Reaching your goal doesn't mean you have reached the end of the road. You can start another journey by branching out using your other skills to create a new path. That path can lead you to new beginnings. And that makes work more exciting! “
