To Whom It May Concern:

I am writing to provide my highest recommendation for Jette Shin Orong, who has served as Fulfillment Manager at ECOMX LLC for four years since 2020 and will be completing his employment with us in October, 2025.

During his four years with our company, Jette consistently demonstrated exceptional reliability, professionalism, and dedication to his role. As Fulfillment Manager, he was responsible for overseeing our entire fulfillment operations, and he executed these responsibilities with remarkable efficiency and attention to detail.

Jette's contributions to our organization were substantial. He successfully optimized our fulfillment processes, implementing improvements that enhanced our operational efficiency. His proactive approach to problem-solving and his ability to manage complex logistics challenges made him an invaluable member of our team. He consistently took ownership of his responsibilities and could always be counted on to deliver results.

Throughout his employment, Jette proved himself to be an extremely reliable and trustworthy employee. He maintained high standards in all aspects of his work, ensuring that our fulfillment operations ran smoothly and efficiently. His dedication to excellence and his consistent performance made him a model employee whom we could always depend upon.

I want to emphasize that Jette's upcoming departure from ECOMX LLC is solely due to circumstances beyond anyone's control. Due to critical supplier issues that have disrupted our product availability, we have had to make the difficult decision to restructure our operations. This unfortunate situation has necessitated the reduction of our fulfillment team, despite the excellent performance of team members like Jette. His departure is in no way a reflection of his performance, which has been exemplary throughout his time with us.

I am confident that Jette will be a tremendous asset to any organization fortunate enough to have him join their team. His expertise in fulfillment management, combined with his reliability, work ethic, and optimization skills, make him an ideal candidate for operations and logistics roles. Any employer would benefit greatly from his experience and dedication.

I recommend Jette Shin Orong without reservation and would gladly rehire him should circumstances permit. If you have any questions or would like additional information about Jette's qualifications and performance, please do not hesitate to contact me.

Sincerely,

David Indlekofer
Chief Executive Officer
