

Roy Estorco

Location: Blk 2 Lot 43 Lessandra Miramote Pit-Os Cebu City
Date of birth: 02-23-2003

About: Freelance Full-Stack Developer & Capstone Leader with 3 years of experience building robust web solutions. I combine technical mastery in modern stacks with a leadership-first approach, successfully guiding development teams through complex project requirements and delivery milestones. Passionate about scalable architecture and collaborative innovation.

Experience

● **Software Developer Intern (Frontend) | QuestNova Systems**

January 2026 – March 2026

Travel & Expense Management System (Aboitiz Foods)

- Developed responsive frontend interface for enterprise Travel & Expense Management System (Aboitiz Foods) using React, Next.js, TypeScript, Tailwind CSS, and shadcn/ui, implementing travel request workflows, approval processes, and administrative dashboards with RESTful API integration via React Query.

● **Software Developer Intern (Frontend) | QuestNova Systems**

January 2026 – March 2026

eHub International - Enterprise Financial Management System (Aboitiz Foods)

- Developed responsive frontend for eHub International financial management system (Aboitiz Foods) using React, Next.js, TypeScript, and Tailwind CSS, implementing Cash Advance, Liquidation, Reimbursement, and Petty Cash modules with approval workflows, verification processes, and RESTful API integration via React Query.

● **Capstone Leader & Full-Stack Developer | BC Leads**

Online Record Management System – Benedicto College

- Spearheaded the end-to-end SDLC for a digitized school operations platform at Benedicto College, leading a development team to automate enrollment, grade management, and attendance tracking. Engineered a scalable full-stack architecture using React, Node.js, and Sequelize, implementing RESTful APIs that reduced administrative manual workload and improved data integrity through a secure, centralized record system.

Education

● **Benedicto College**

Bachelor of Science in Information Technology

● Expected April 2026

Awards

- Dean's Lister (SY 2023-2024, SY 2024-2025)
